
Respect Our Voting Rights

To members of the North Carolina General Assembly and North Carolina Congressional Delegation,

Respect Our Vote — and Our Right to a Government That Puts Our Interests First!

Send a message to your state and federal officials by signing your name to our petition below. Tell them that you want a government of, by, and for the PEOPLE. "Enough is enough! The Supreme Court's Citizens United decision gives corporations even greater control of our democracy – and now voting rights in North Carolina are under attack. As your constituent, I want you to 1) support measures to reverse the impact of the Citizens United ruling, and 2) take action to protect the voting rights of all North Carolina citizens by rejecting attempts to limit ballot box access.
