

Protect US Veterans Against Deportation

To Senators Thom Tillis and Richard Burr:

Immigrant veterans have risked their lives in wars wearing the U.S. uniform. Many suffer physical and mental injuries including PTSD. They deserve support, honor and fair treatment for their service.

We, the undersigned urge our U.S. Senators to act now to exempt veterans from deportation. If convicted of crimes, which are often due to combat-related mental health issues, these soldiers should be permitted to remain in the U.S. and not be doubly punished by deportation. We also urge the repatriation of those who have already been deported.
