

Peace Begins With Me

“We are not enemies, but friends. ... Though passion may have strained it must not break our bonds of affection. The mystic chords of memory ... will yet swell the chorus of the Union, when again touched, as surely they will be, by the better angels of our nature.” - Abraham Lincoln, First Inaugural Address, 1861

Because **Peace Begins With Me**, I pledge:

- To respectfully understand another person’s point of view, even if I don’t agree with it;
- To find common ground and ways to work together;
- To support ideas that bring us together rather than divide us.
