

Petition for Withdrawal From Iraq

To Sen. Elizabeth Dole and Sen. Richard Burr and Members of U.S. House of Representatives,

Whereas we can best honor the lives and memories of all who have died in Iraq by ending the war and supporting the rebuilding of Iraq;

Whereas we need to send a strong signal to the people of Iraq and the international community that the United States does not have imperial intentions in Iraq;

Whereas the perception that the U.S. intends to permanently occupy Iraq creates violence;

Whereas many nationalists groups have expressed a willingness to engage in political dialogue if the U.S. clearly states its intention to withdraw from Iraq;

Whereas a clear statement of intent to fully withdraw U.S. troops and close all U.S. bases is needed;

Be it resolved that I call on the U.S. Congress to adopt a sense of the Congress resolution declaring: "It is the policy of the United States to withdraw all U.S. military troops and not to maintain a permanent military presence in Iraq."
