

Petition for Withdrawal From Iraq

To: Sen. Elizabeth Dole and Sen. Richard Burr and Members of U.S. House of Representatives,

Whereas we can best honor the lives and memories of all who have died in Iraq by ending the war and supporting the rebuilding of Iraq by the Iraqi people.

Whereas we need to send a strong signal to the people of Iraq and the international community that the United States does not have imperial intentions in Iraq;

Whereas the U.S. occupation of Iraq creates more violence;

Whereas many nationalists groups have expressed a willingness to engage in political dialogue IF the U.S. clearly states its intention to withdraw from Iraq;

Be It Resolved that I call on the U.S. Congress to pass legislation in 2007, calling for the orderly withdrawal of U.S. forces and contractors and the closing of ALL U.S. bases in Iraq by April 2008.
