

# NC Peace Booth Bookmarks

## Printing Instructions

Print the bookmark on card stock or other sturdy paper. You may either print just this page, or print double sided by printing pages 1 and 2, but configure your printer to print Duplex or double sided printing (this varies by manufacturer; consult your printer's documentation). Sometimes you can do this by printing the first page, allowing the ink to dry, then reinserting the page back into the printer before printing the second page. Then, simply cut out your bookmarks and enjoy!
